ADVERTISING RATES

To qualify for a FREE Year Book with a 'first' black and white advertisement, we must receive your advert **BY 31st OCTOBER, (this MUST include photo, text and full payment)**. All 'first' colour advertisements, whenever received, will qualify for a FREE Year Book. All 'first' advertisements in before 30th November will also qualify for one FREE directory entry*.

If you have an idea in mind of how you want your advertisement to look please provide a rough sketch. If you require shaped photos DO NOT cut your photograph - just indicate what you require.

A paper proof of your advertisement will be sent for your immediate approval. Author's text corrections can be made, but extensive changes may incur a charge, subject to sight of work involved.

SPREADING THE COST OF COLOUR ADS

We are happy to accept payment for colour ads in instalments if this will help you. Just send us full payment, but broken down into a series of separate post-dated cheques. The final cheque must be dated no later than 31st December.

EXAMPLE ONLY: 1 colour page can be paid by five separate cheques, each for £24.00, each dated 10th of the month August to December.

So if this is of interest, the sooner you start the smaller the monthly outlay will be.
